TO THE BEST OF OUR KNOWLEDGE, WE ARE THE ONLY ORGANIZATION WHOSE SOLE PURPOSE IS TO AID MOTORCYCLE ACCIDENT VICTIMS.

Motorcycle accidents have increased significantly due to the increase in motorcycle ridership. As the old saying goes...

"It's not a matter of IF you go down, it's a matter of WHEN."

Downed Bikers Association was founded on September 2nd, 1999, with the underlying goal to provide emotional and financial support to victims of motorcycle accidents through benefit events and poker runs.

Each chapter serves a limited geographic area. Chapters are responsible for their own fundraising with

100% of the money raised from the benefit events and pokers runs going to the respective recipient.

Members dues provide for operating expenses, such as post office box rental, monthly phone bills, patches, shirts, web hosting, printing and mailings.

The organization is a certified 501(c) (3) non-profit charity. We have a national and individual chapter boards of directors, bylaws, articles of incorporation and guidelines defining meetings, events, fund-raisers, etc.

If we don't do it, who will?
